## Knob Creek Bourbon 100 proof 1 Liter & 1.75 Liter

There's no faking full bourbon flavor. It has to be earned. So that's what we do in Clermont: we earn it. We start by selecting the finest grains. And we finish by meticulously aging our whiskey in white oak barrels with maximum char, for an unmistakable richness and signature sweetness. It's the natural way. And there's just no cheating nature.
