## The Palm by Whispering Angel Rose 2019

This authentic ros from Provence operates as a playful, trendy, energetic "little sister" to Whispering Angel. The Palm is expressive both inside and out as it shows great aromatic freshness on the nose followed by more subtle, fruity notes on the palate. The colorful and playful label has been called "almost as perfect as the Ros itself."

## Maz Caz Grenache/Syrah Rose 2019

Caz translates to crazy in a good way, a sentiment I have come to embrace as I branch out from Bordeaux, bringing you wines from new terroirs. I have been driving through this area for years on my back and forths between St Emilion and Falsset. Plot the points between these two places on any map and you can see that I regularly get lost. On purpose, I admit.
