### Underwood Cellars Strawberry Cooler Can 375ml

Empire's Price: **\$2.99/per 375ml**

Union Wine Company's Underwood Canned Strawberry Cooler is here just in time for all of your spring party needs. Think of it as rosé's fruitier cousin. The strawberry cooler is Union's newest addition to its line of canned Underwood wines. With notes of strawberry, cranberry and lime, the summery cooler is perfect for days you'd do anything to be on the beach.

A twist on a classic gin and tonic featuring hints of elderflower, cucumber and a zest of lime, creating a light, refreshing and carbonated cocktail. This cocktail skews sweeter than a traditional Gin & Tonic, making it ideal for those who struggle with the combo's bitter quinine kick. "You can absolutely crush one or two of these during a summer Saturday," one taster commented.
