Jameson's Irish Whiskey 1.0L 80 proof

Empires price:
\$33.99
per liter

The Jameson range of whiskeys comprise a comparatively high percentage of pot still spirit, which gives them greater character and complexity than some other Irish whiskeys. The nose offers an interesting combination of floral, orange, toffee, Sherry and spice notes. Water releases more cooked fruits and a suggestion of linseed. Profound notes of Sherry develop, along with fudge, vanilla and spice.

McConnells 5 Year Irish Whiskey 750ml

Empires price:
\$25.99
per 750ml

Made at Great Northern Distilling, this blend of malt and grain whiskeys aged for five years in bourbon casks. The bottle is pill-shaped as a nod to the original McConnells label, which featured endorsements from three doctors. And that's not a typo in the name; the brand uses whisky, without an E, because that's how it was originally spelled.
