RED, WHITE & BLUE WINE SPRITZER

This is a light and refreshing "be careful because it's easy to suck down quickly" concoction. There is also not much fuss in making it which the hostess in me really appreciates. Of course you can enjoy this anytime of the year but next week in particular it will be ideal for the occasion. Cheers to fireworks, independence and the acceptance of the wine spritzer.

INGREDIENTS

- 1 cup simple syrup
- ½ cup fresh strawberries
- ½ cup fresh blueberries
- 1 bottle dry white wine
- club soda or tonic water
- cubed ice
- few sprigs of fresh mint

Fill Pitcher with ice and top with berries (save some to place in glasses). Pour in simple syrup and then wine until pitcher is ¾ full. Top off with club soda or tonic water, stir and serve in ice filled glasses. Garnish with mint sprig. Enjoy with warm sun and friends!

THE FEDERALIST CABERNET SAUVIGNON & CHARDONNY

The Cabernet Sauvignon is a purplish red color. Aromas of berries, tart cherry, sweet oak, and cinnamon. Nice entrance, medium weight, long and lingering finish with good grip from the tannins.

The Chardonnay is fresh and full-bodied with an aroma of lemon, pear and a touch of cinnamon."

CHARLES & CHARLES CABERNET SAUVIGNON-SYRAH 2018

James Suckling 92

"Ripe blackberries, blackcurrants, olives and black pepper on the nose. Its full-bodied with firm, chewy tannins framing a juicy, concentrated core of sweet, ripe black fruit. Cabernet sauvignon and syrah. Lots of fruit but ends dry and stylish. Drink from 2022."

BLUECOAT GIN 1.0L

"The nose leads with refreshingly sweet aromatics, giving way to soft and earthy juniper notes."

"The body is intensely smooth with a complex depth of flavors that reveal themselves as they permeate the palate."

"The bright finish is exceptionally long and completes an experience that is incredibly pleasing to the senses."

PLATINUM 7X VODKA 1.75L

Platinum 7X is distilled seven times from American corn. Four distillations are carried out in column stills with the remaining three distillations being made in a special pot still at Buffalo Trace Distillery. Limestone water is added to bring the vodka to bottling proof. The resulting product is remarkable in its clean, refreshing, smooth taste. Very low congener count." ~ Distillery notes

Wine Enthusiast 94

"An easy-drinking, versatile crowd-pleaser right for a wide range of cocktails. The bright, fresh aroma balances oak and vanilla. The palate is smooth and light from first sip, with plenty of concentrated vanilla bean. Adding water coaxes a bit more spice into the finish, along with a fleeting butterscotch note. Aged two years."
