OLEMA BY AMICI ROSÉ COTES DE PROVENCE 2021

James Suckling 92

Some cherry, crushed stone and slate aromas with hints of roses and white pepper follow through to a medium body. Creamy structure with phenolics and framing. Real ros. Mostly grenache with some cinsault, syrah and carignan.

TRUE MYTH CHARDONNAY 2020

An enchantingly bold cool-climate Chardonnay that displays zesty citrus notes that intersect in the glass with layers of playful tropical fruit. This wine is rich and creamy, bursting with flavors of fruit tart, key lime pie, and decadent crme brle.

BODEGAS PONCE DEPAULA MONASTRELL 2021

Wine Advocate 92

It's fresh, balsamic and herbal, with a limestone core that delivers length and freshness coupled with a juicy Mediterranean character. They picked the grapes 15 days later than normal, and the grapes ripened properly, keeping a very low alcoholic degree. Funnily enough, it has darker aromas and rougher tannins.

DOMAINE GADAIS 'NAVINEAUX AMPHIBOLITE' MUSCADET 2020

John Gilman 92

A lovely wine, clearly showing its granitic soil signature in its complex bouquet of breadfruit, dried flowers, granitic minerality, gentle maritime overtones and a touch of sweet nuttiness from its lees contact. On the palate the wine is brisk, full-bodied and mineral-driven, with a lovely core of fruit, excellent acids and grip, fine balance and a long, complex and focused finish.
